# LOCAL CELEBRATION

## PRE-PLANNING:

- Discuss the date, time and plans with your pastor. Always include a reception/banquet following the service.
- Order all badges and awards from the My Healthy Church—Girls Ministries catalog.
- Purchase gifts for awards (tiaras, rings, necklaces, etc).
- Confer with parents on purchase of dresses or material to make dresses, if necessary.
- Confer with leaders concerning the date, time and task assignments.
- Decide on a theme, program, decorations and refreshments.
- Arrange and confirm speaker (if desired) and special guests.

## DETAILS TO COORDINATE:

- Assign someone to order the invitations and purchase any special gifts.
- Assign someone to oversee reception decorations.
- The Coordinator should develop a program agenda, including recognition of special guests, each club presentation, special music, tributes, charges, speaker and prayer.
- Assign someone to organize food for reception, set up, serving and clean up.
- Assign someone to be responsible for sound, lighting, video and photographs.
- Confer regularly with those persons who have assignments to make sure work is progressing. Provide checkpoints along the way to avoid last minute decisions and frustrations.

## REMEMBER:

- A scheduled rehearsal with the participation by all involved in the Celebration will help the actual Celebration run smoothly.
- The coordinator should conduct the rehearsal and make sure all details are finalized.
- All girls and leaders are encouraged to dress appropriately for the Celebration. For example, girls could wear club t-shirts or church dress.
- Send invitations to state and area Women's Ministries and Girls Ministries leaders, special guests, and family and friends of girls being honored.

## **LOCAL CELEBRATION, (cont.)**

### **SUGGESTED IDEAS:**

- Set up a display table for each girl being honored that would include activity book/journal completed, sashes, awards earned, picture collages of her life or anything that would be important to her.
- Use girls as ushers to distribute programs at the door and to receive the offering.
- Request a letter of congratulations from the Mayor, Governor, and President of the United States for Gold Medal of Honor recipients.
- It is recommended to plan your Celebration sometime between June and August, before promotion to new classes.
- Include parents of Honor girls in the Celebration ceremony. Consider letting them usher their daughter down the aisle, standing with her as she receives her award, etc.
- When recognizing one girl or a large group, read the charges only once but present the awards to each girl separately.
- Each club (Rainbows through Girls Only) should be represented during the Celebration. Perhaps they could share a song or club memory verse.

## REVIEW BOARD RESPONSIBILITIES

The Honor Star, Friends, Girls Only and Honor Sponsor reviews are nationally standardized and should be completed in your church under the direction of a Girls Ministries Review Board. The Review Board should consist of three mature Christian women in your church. The women should not be related to the individuals completing the reviews, nor should any of them be a sponsor of a girl taking a review.

Girls and sponsors can be given their corresponding reviews at the same time in order to conserve the time obligation of the women on the Review Board.

The Review Board is responsible to check the items outlined below. Use the following checklist as a guideline for your Review Board.
